

*Penner Farm Services, the leading providers of livestock equipment, supplies, and services in Western Canada is currently looking for a **Service Technician** for our **Blumenort, MB** location.*

### JOB DESCRIPTION

Key Responsibilities include responding to agricultural equipment service calls and installation projects on site, providing excellent customer service, diagnosing agricultural equipment issues, determining proper solutions and performing required work to resolve the issue for the customer. Computer usage, completion of daily service and safety paperwork and working closely with the Service Writer and Sales team are required in this position. Position requires working around livestock, working on an on-call rotation and occasional driving to remote work locations. Driver's license and clean driving abstract is required.

### REQUIRED SKILLS

- Strong mechanical aptitude with previous experience working with and diagnosing equipment issues; minimum 1 year agricultural experience is required
- Customer service orientation; friendly and willing to serve/help
- Excellent interpersonal and communication skills (oral and written) and the ability to work independently with minimum supervision
- Working knowledge of computers and MS Office Suite; proficient in the use of smart phones
- Good analytical and problem-solving skills
- Good organizational, time management and prioritizing skills
- Excellent attention to detail

---

Penner Farm Services offers a competitive wage, health and dental benefits and a profit-sharing plan. We offer an excellent work environment with opportunities for development and advancement.

If you are interested in this position and meet the above criteria, please submit your resume in confidence to [careers@pennerfarmservice.com](mailto:careers@pennerfarmservice.com) by January 29, 2021.
